SUBMISSION GUIDELINES AND CONDITIONS

ELIGIBLE WORK

The *Art Amnesty* is open to all members of the public, artists and non-artists, 18 years or older, who are able to come in person to MoMA PS1 with their work(s) in order to participate. There are two ways to participate: (1) **works may be disposed of in dumpsters**, or (2) **works may be brought to the museum's designated gallery for display prior to disposal**. The museum will accept no more than one work per person for possible display in the Museum's gallery followed by disposal, and the museum may also limit the amount of work it will accept for immediate disposal in the dumpsters onsite.

In order to participate, you must be the sole legal owner of the work(s) you wish to dispose of, and you must hand-carry the work(s) into the museum. Artwork may not incorporate organic material (animal, plant, or bodily matter), must be non-toxic, may not incorporate illicit material, and may not pose a danger to its maker or audience. Bob and Roberta Smith and MoMA PS1 reserve the right to refuse to accept any submission for any reason, in their sole and non-reviewable discretion.

Any pedestals, shelves, specialized installation hardware or other supporting elements used in the display of any submitted work are subject to the same conditions listed here, and must be brought by the participant at the time of submission. In general, **two-dimensional work should be no more than 10 square feet and three-dimensional work should be no more than 10 cubic feet**. These measurements must be inclusive of all elements of a work, including frames, display supports, etc. **Combined weight may not exceed 150 pounds**.

APPLICATION

MoMA PS1 will begin accepting works for the *Art Amnesty* on October 2nd, 2014.
